

## **SAOPŠTENJE: Sastanak guvernera CBCG i rukovodstva Addiko banke**

Guverner Centralne banke Crne Gore **dr Radoje Žugić** sastao se danas sa predsjednikom Nadzornog odbora Addiko Bank AD Podgorica **Tadejom Krašovecom** i predsjednikom Upravnog odbora ove banke **Kristofom Šoenom**.

Na sastanku je razgovarano o stanju i trendovima na bankarskom tržištu Crne Gore u svijetlu aktuelne situacije, sa posebnim osvrtom na poslovanje Addiko banke. Konstatovano je da je bankarski sektor, tokom krize uzrokovane pandemijom COVID-19, pokazao visok stepen otpornosti, te da pokazatelji poslovanja banaka potvrđuju njegovu stabilnost.

G-din Krašovec je istakao da Addiko banka, u skladu sa prepoznatim potrebama klijenata i trendovima na bankarskom tržištu, u kontinuitetu unapređuje dostupnost i kvalitet svojih proizvoda i usluga, vodeći pritom odgovornu politiku upravljanja rizicima.

Osim pružanja podrške stanovništvu, guverner Žugić je istakao potrebu systemske podrške banaka realnom sektoru, koja je posebno značajna u periodu krize.

Frekventna i otvorena komunikacija banaka i regulatora potvrđuje potpunu transparentnost poslovanja i doprinosi stabilnosti sistema, zaključeno je na današnjem sastanku.

### **PRESS RELEASE: Meeting of the Governor of the CBM and the management of Addiko Bank**

The Governor of the Central Bank of Montenegro, Dr. Radoje Žugić, met today with the President of the Supervisory Board of Addiko Bank AD Podgorica, Tadej Krašovec, and the President of the Management Board of this bank, Christoph Schoen.

The situation and trends in the banking market of Montenegro in the light of the current situation were discussed at the meeting, with special reference to the operations of Addiko Bank. It was stated that the banking sector, during the crisis caused by the COVID-19 pandemic, showed a high degree of resilience, and that the performance indicators of banks confirm its stability.

Mr. Krašovec pointed out that Addiko Bank, in accordance with the recognized needs of clients and trends in the banking market, continuously improves the availability and quality of its products and services, while pursuing a responsible risk management policy.

In addition to providing support to the population, Governor Žugić pointed out the need for systemic support of banks to the real sector, which is especially important in times of crisis.

Frequent and open communication between banks and regulators confirms complete transparency of operations and contributes to the stability of the system, it was concluded at today's meeting.
